

Temporarily limit unwanted comments and messages with Limits.

- We'll recommend groups of accounts you may want to limit comments and messages from
- Limited comments and messages will be hidden unless you approve them
- Using Limits won't affect your reach in Feed or Explore

## How it works:

Navigate to Limits:  
Settings > Privacy >  
Limits

**Decide who to limit:** Accounts that aren't following you  
And/or recent followers  
**Decide how long to limit\*:** from 1 day to 1 month

\*When your selected duration has ended, you'll have the option to turn Limits off or keep it on
